**CASE INFORMATION**

Applicant: Mark Permar

Application: The applicant is requesting to amend Section 12-70. RST-2, Resort District of the *Land Use Planning and Zoning Ordinance* of Kiawah Island, (*Article 12A-210*) and to amend Section 12-102. Principle uses and use regulations; Table 3A. Authorized Uses in Zoning Districts of the *Land Use Planning and Zoning Ordinance* of Kiawah Island, (*Article 12A-301*) to allow for the use "Conference Center" to be permitted as a matter of right within the RST-2 Resort Zoning District.

The applicant's letter of intent states, "*The proposed text amendment to the RST-2 district is intended to provide more flexibility to plan and develop high quality hospitality and guest services consistent with the goals and objectives of the vision for the Town of Kiawah Island.*"

The proposed amendment modifies lot standards, including maximum height and minimum setbacks and authorized uses for the RST-2 Resort District.

Section 12-70. RST-2, Resort District

The *Ordinance* specifies the purpose of the RST-2 zoning district is to provide for development of high quality resorts and associated uses providing a wide range of activities for guests of Kiawah Island.

Section 12-102. Principle uses and use regulations

The *Ordinance* specifies permitted use as "the principal use allowed in a zoning district. It is a use of right. By way of example, single-family detached dwelling units are permitted in all residential zoning districts, R-1, R-2, R-3 zoning district. However, multifamily residential units are only permitted in the R-3 zoning district. The letter P indicates that a use type is a permitted use."

"Principal uses are the uses permitted in each zoning district. These are shown in table 3A in subsection (c) of this section, authorized uses in zoning districts. The intent is to allow and regulate uses which are deemed compatible with the purpose of that district, with or without conditions; or to restrict uses."

There are three classifications of uses (permitted, conditional and special exception) as defined in this subsection and as listed in Table 3A in this subsection (where no classification of use is shown (blank cell), that use is prohibited in the zoning district).

The proposed Zoning Ordinance Text Amendments to modify the lot standards within the RST-2 Resort District and to add the permitted use within the RST-2 Resort District are attached to this report.

**RECOMMENDATION BY THE PLANNING COMMISSION**

Section 12-158(3) of the *Zoning Ordinance* states "The Planning Commission shall review the proposed text amendment and/or zoning map amendment and take action, recommending that the Town Council approve or deny the proposed amendment. The Planning Commission may hold a public hearing in accordance with the procedures in section 12-126. The Planning Commission's recommendation shall be based on the approval criteria of subsection (6) of this section. The Planning Commission shall submit its recommendation to the Town Council within 30 working days of the Planning Commission meeting at which the amendment was introduced. A simple majority vote of the Planning Commission members present and voting shall be required to approve the amendment."

### **DECISION ON AMENDMENT BY THE TOWN COUNCIL**

Section 12-158(5) states "After receiving the recommendation of the Planning Commission, the Town Council shall hold one or more public hearings, and any time after the close of the public hearing, take action to approve, approve with modifications or deny the proposed amendment based on the approval criteria of subsection (6) of this section. A simple majority vote of Town Council members present and voting shall be required to approve the amendment. Zoning map amendments shall not be approved with conditions. Prior to action on a proposed code text amendment, the Town Council may, in exercise of its legislative discretion, invoke the "pending ordinance doctrine" by ordinance so that no building permits shall be issued for structures which would be affected by the proposed amendments until the Town Council has rendered its decision on the proposed amendment."

### **APPROVAL CRITERIA AND APPLICANT'S RESPONSE**

Pursuant to §12-158(6) of the *Land Use Planning and Zoning of the Town of Kiawah Island South Carolina (Zoning Ordinance)*, Text and zoning map amendments to the ordinance may be approved if the following approval criteria have been met:

- A. The proposed amendment is consistent with the purposes and intent of the Town of Kiawah Island Comprehensive Plan;  
*Applicant's Response:* "The proposed revisions to the setback standards will provide flexibility for building placement on the site while maintaining a balance of scale and massing within the existing area. The RST-2 district is presently limited to that area on Kiawah Island which forms the core of West Beach and is a Resort category, as described in the 2015 Comprehensive Plan, which is intended '...to promote the development of high quality recreational use structures that provide a range of activities for residents and guests...' The proposed text amendments will allow for building designs that are compatible with surrounding development."
- B. The proposed amendment is consistent with the purposes and intent of this article;  
*Applicant's Response:* "The proposed amendment is consistent with the purposes as described in Sec. 12-20. Authority and Purpose with particular attention to the following select initiatives:  
(1) Implementing the vision and goals of the Comprehensive Plan of a '...RESIDENTIAL COMMUNITY INCORPORATING A WORLD CLASS RESORT...'  
(5) Implementing land use policies that will preserve the natural character of the Town of Kiawah Island by responsibly regulating the use of buildings  
(7) Promoting desirable living"
- C. The purpose of the proposed amendment is to further the general health, safety and welfare of the Town of Kiawah Island;  
*Applicant's Response:* "The proposed text amendments will allow for building and site design that is more flexible to provide an environment that is consistent with contemporary standards of better living within a natural setting."
- D. The proposed amendment corrects an error or inconsistency or meets the challenge of a changed condition.  
*Applicant's Response:* "The proposed amendment does not correct an error or inconsistency; however, it does provide greater flexibility to plan and design to contemporary resort guest services in the competitive world market. The program requirements for resort settings of today are far more demanding than those of the original Kiawah Island Inn. Dear Mayor Weaver and Town Council Members:

I represent Courtside Villas Council of Co-Owners, Inc., which is the incorporated property owners association for Courtside Villas Horizontal Property Regime located on Kiawah Island. The Council of Co-Owners has asked me to write this letter to you to object to the above referenced amendment requests.

Courtside Villas is located immediately adjacent to Charleston County TMS Parcel 207-06-00-402 (the "Subject Property"). The Subject Property is currently the site of approximately twelve tennis courts and a pool. The purpose of the above referenced amendment requests are to amend the Town's Comprehensive Plan, the Town's zoning map and the Town's zoning ordinance in order to permit a conference center to be constructed on the Subject Property.

Approving the above referenced amendment requests would not be consistent with the overall purpose and intent of the Town of Kiawah Island's Comprehensive Plan, and therefore, the same should be denied.

The stated vision for the Town in the Comprehensive Plan is a "residential community incorporating a world class resort." The Comprehensive Plan further provides that "the Town's pre-eminent goal is to protect and preserve the residential character of the community while maintaining the benefits inherent in the resort component."

Courtside Villas are located as close as twenty two (22) feet from the property line of the Subject Property. The erection of a conference center on the Subject Property in such close

proximity to the Villas will create a significant adverse impact on the value and enjoyment of Courtside Villas by creating excessive noise, light pollution, as well as the destruction of the natural views from the Villas. Amending the Comprehensive Plan Map (which currently provides for "Active Recreation and Open Space" for the Subject Property) and the Zoning Map and Zoning Ordinance in order to permit a conference center to be constructed in such close proximity to Courtside Villas would simply not be in keeping with the goal stated in the Comprehensive Plan of protecting and preserving the residential character of the community.

Accordingly, the Courtside Villas Council of Co-Owners, Inc. respectfully requests that the Kiawah Island Town Council deny all of the above referenced amendment requests.

Sincerely yours,
